Join us for our inspiring and educational club. Each month, members enjoy delicious breakfast meals created by our chefs and will receive the recipe.

Our new educational component is Tucker University. One ruler at a time - we will go in-depth into the myriad uses for each particular ruler with technique sheets, demo boards and sample blocks. (Ruler purchase is not required.)

We finish up our morning with show-n-tell inspiration and wonderful door prizes. Members may also be eligible for special prizes and/or sales on some months.
